St. Luke's is a Church of England School that serves a diverse community and works in partnership with parents and carers, to support all in our community to be lifelong learners and socially-responsible members of society.

Our vision statement is reflective of Church of England vision for education which is 'deeply Christian, serving the common good' and provides a 'golden thread' to encompass curricular and extracurricular activities; the character and moral development of our pupils; our promotion of social and cultural development and our desire to treat others with dignity and respect. In addition, it directs our Religious Education and PSHE and, inspires our Collective Worship. Aspiring to be just and kind. Walking humbly with God. Growing with every opportunity.
