A school prized in it's local community with an 'Outstanding Ofsted & Siams inspection coupled with high levels of parental satisfaction

A school where the central focus is always on driving improvements in Teaching & Learning through CPD, research based projects & an outward gaze

Vision for St. Luke's

Where will we be in 2020

The continued presence of something special in the heart of the East End -

Keeping Teaching & Learning @ the core!

A school embedded in partnerships to help drive it forward - Parental, Diocesan, Teaching School Alliance

A school that consistantly guides children to be both spiritually and educationally resilient - promoting independent learners

A school that realises the importance of it's place in the Diocese in both growing teachers and senior leaders of the future

A school where the children, staff, parents & governors have developed a shared understanding of and desire to fulfil 'our' vision

A school where the creative arts and sport are seen as intrinsic to the overall

A school not just known in reputation for excellence & Vision 2

Vision is how we see the last step.

Faith is how we take the first!

The path for St. Luke's **CEVA Primary**

A school where the best of new ideas works hand in the children

A school where staff, children & governors are constantly open to innovating
