

Accessing Google classroom from Xbox One, Xbox Series S, Xbox Series X, PlayStation 4, PS4 Pro or PS5

<u>How to use Google Classroom on Xbox One & Xbox Series X/S</u>	<u>How to use Google Classroom on PS4 & PS5</u>
1. Plug a wired keyboard into your Xbox One, Xbox Series X or Xbox Series S via one of the USB ports on the front or back.	1. Plug a wired keyboard and/or mouse into the USB ports on the PS4 or PS5 - each console should recognise them.
2. Press the Xbox button top-centre of a game controller and head to "My games & apps" in the side menu.	2. The PlayStation 4 has its own web browser in the content menu as an icon with WWW written on it. Click on this.
3. Click on "See all", scroll down to "Apps" and you will see Microsoft Edge in the icons on the right-hand side. Open it.	3. In the URL bar of the browser, type classroom.google.com and then log in using the details provided by your child's school.
4. Type classroom.google.com into the URL bar at the top and log in as you would on a PC using your school Gmail account.	4. You can now access Google Classroom.
5. You can either use an Xbox controller to move the cursor or a separate USB mouse plugged into one of the other ports.	5. You can either use a PS controller to move the cursor or a separate USB mouse plugged into one of the other ports.

In some cases you might not be able to do everything you can on a laptop or PC, but you can, at the very least, access Google Classroom and see what work your teacher has assigned for you to do.
