

St. Luke's has a 150 year history of service to the people of Canning Town, although the current building was built in 1999 there has been a St. Luke's School on this site since 1864.

Our passion is to educate the whole child. We absolutely value the importance of academic excellence but we seek excellence in all spheres of life whether that be spiritual, artistic, sporting or service to the community. We achieve this by having a dedicated team that works closely together to understand the strengths of all our children and crucially welcome the partnership of parents to ensure we are successful with all our children.
