## Y6 FINAL

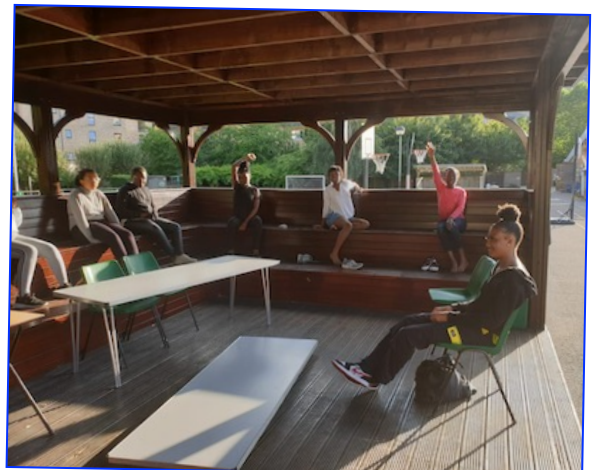

10th July 2020

Dear Pupils of Year 6,

*The most important thing that happened in our school this year occurred on this Friday evening as we brought you all together and said well-done and best wishes to a wonderful class who have sadly missed out on so much due to the Covid 19 outbreak.*

It was great to have you back for one final evening of fun with water fights in the playground, a 'silent disco', camp-fire songs, Ms Martin putting together a slideshow of memories and finishing off with a barbecue.

Rev. Amy said a prayer and we spoke about how we move on but we never fully leave St. Luke's – that is the uniqueness of this particular school family. This was perfectly summed up by a visit from ex-pupil Chloe (soon to be Y10) who gave up her own time to talk honestly, answering questions from the girls. The questions perfectly illustrated the nerves all primary children have about moving onto the next phase of their lives but Chloe talked with such frankness and intelligence about those challenges that I am sure her words will stay with the girls into their transition to Y7.

You are one of the first generation to go through these strange times of a global pandemic. People will look back and ask questions about the impact of all this on our lives, our health, our education.

But you have shown me that you are a new generation of children that know how to persevere, who understand that to overcome the barriers and obstacles life throws at you, you need to stand strong and together and know that your experiences will only make you stronger.

And as one great man once said:

*"Darkness cannot drive out darkness: only light can do that. Hate cannot drive out hate: only love can do that."*

— Martin Luther King Jr"

It has been an honour and a privilege to have been your headteacher. I wish you great happiness and strength for the future.

Well done class of 2020!
