

# St Luke's News

A Christian school that serves a diverse community and works in partnership  
with parents to develop the whole child.

11th March 2022

Dear Parents and Carers,

*This week on our Lenten journey we have been considering the events surrounding the betrayal of Jesus by Judas in the Garden of Gethsemane and the interrogation of Jesus in the Sanhedrin that followed.*

We discussed why the religious leaders felt threatened by the teachings of Jesus and how their motivation was at least partly borne out of jealousy and fear of losing their privileged position. This is a very human set of weaknesses and we unfortunately see it in the world around us all the time. This then led into discussions about what happens in school when we tell lies or become jealous and then we have to keep covering up the truth leading us into bigger trouble.

## Just another normal World Book day

In all the excitement of World Book Day last week I forgot to include this photo of the staff, who came in dressed as they normally do. OK, as ever they got involved in the spirit of the day and always from the point of view of making the children's day even better. Next Friday you will see a lot of red as we take part in Comic Relief and raise money for that excellent charity – watch out for a *Schooling* about it next week.

## Philosophical minds – Y5 at Rokeby Secondary School

This session was led by a representative from *Tender*, which is a company who works with children and young people to develop healthy relationships. In this session, we focused on what makes a good friendship, by thinking about the qualities we want in our 'House of Friendships'. Richard (Y5) used his scientific knowledge to explain the importance of friendship. He said, "It is like the Earth and the Moon because they have to work together.

*Without each other, it wouldn't work. If one part let the other down, it wouldn't work."*

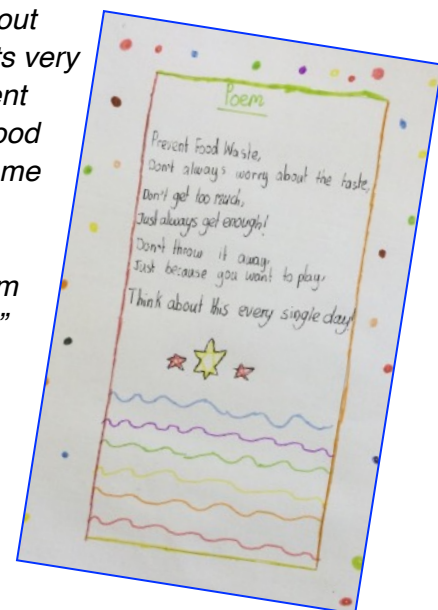

## Food Waste Workshops

Wednesday saw Y3 & Y4 receive a workshop from LBN staff aimed at reducing food waste both here and in their homes. Below are some thoughts from some of our pupils:

*"We were learning about food waste and how its very bad for the environment and how over 1/3 of food is wasted! This made me feel disappointed because a lot of work goes into our food from the farm to our fridge."*

*"I enjoyed this workshop because it made me realise that wasting food can contribute to global warming and climate change."*

## Y3/4 Handball Team

Our Y3/4 Mixed Handball team travelled to Elmhurst school to take part in a handball competition. They played wonderfully to win their group and went on to win the next 2 matches and after an epic shootout, they won the semi final match 2-1 before narrowly losing the final. Once again the smallest school in the borough wins medals! Well-done everyone.

# ***STREETTAG - SEASON 4***

## Win a place in the **GREAT SUMMER WATER FIGHT PARTY**

Season 4 ends on 13th July. On Tuesday, everyone's points will be reset to zero. To win a place in the **Great Summer Water Fight Activity Party**, you need to be in the **TOP 25** in Season 4.

If you would like to join *Streetworks*, see Ms Adams.

Good luck & stay active

Have a peaceful weekend

Matt Hipperson

Head Teacher
