

St Luke's News

A Christian school that serves a diverse community and works in partnership with parents to develop the whole child.

1st April 2022

Dear Parents and Carers,

Jesus is Risen...at St. Luke's

With the Easter holiday beginning two weeks before Good Friday we had to finish the Easter story early this year! Thanks to all of the children who have helped to lead our mini Holy Week journey as we discussed the meaning of the various events. They used role-play and readings to set the scene and sang so joyfully when it came to marking the resurrection.

*thanks
for your
support*

'I would like to pass on our appreciation to all the parents and staff of St. Luke's staff for standing with us in difficult times we are really honoured as a family for the great gesture of love from all of you - all I can see is the Lord richly reward you all on behalf of all the family' – Matthew Mugisha (Evie and Jerome's Dad)

Church News

Below left is a flyer for some fun activities being run in Kier Hardie Park for the next two Saturday afternoons by the Church pastoral team – please also see the service times for St. Luke's Church over Holy weekend at the end of this newsletter. Below right Rev. Amy teaches the children about the mystery of empty tomb.

How did this happen?

The answer is, I don't really know! One minute we were talking about our unparalleled success in Street Tag, the next myself and Ms Adams were bushwacked by some of our taggers armed with cream pies – arrests are expected to follow!!!

Science Week

Thanks to Mr. Brown for arranging our Science Week for this last week of term. The highlight undoubtedly was a visit from a very silly scientist who showed us we do not need to be in a laboratory to conduct science experiments.

Health Kick!

The Y4s have been learning how to cut and create a nutritious and beautiful looking salad – it looks better than a lot of the salads I have had in restaurants over the years!

End of Term Awards

Best boys and girls of the Spring Term for each class

Special Headteacher awards presented by Margaret our Chair of Governors

Easter Eggs Galore!

The staff provided 50 Easter eggs for an Easter Egg raffle for the children that led to a lot of eggcitement! The Justice Committee and Mrs Simpson are wondering if it is possible for the school to buy an egg for every child next year – that would need the Justice Committee to raise some funds but is typical of the attitude of fairness they bring to all of their discussions.

And finally...

Please see on next page information for service times for St. Luke's Church over Holy weekend.

Remember school re-opens on Tuesday the 19th April

And please try and have a safe Easter and find some time for yourself to relax.

Matt Hipperson

Head Teacher

All events are at St Luke's Church, Ruscoe Road London, E16 1JB.

**SAT
9TH
APRIL**
