

St Luke's News

A Christian school that serves a diverse community and works in partnership with parents to develop the whole child.

24th June 2022

Dear Parents and Carers,

This is the first of a few weeks of newsletters that focus on the long goodbye from our terrific Y6s.

This week they had a 3 day, 2night stay at Stubbers Adventure Camp near Upminster in Essex. It will come as no surprise to you that their behaviour was excellent whilst they were still able to let their hair down. Even when they encountered some very poor behaviour by children from other schools they displayed a class and dignity that marked them out as special. Below are some photos and a write up from Jalil.

In the beginning! Looks like the picture of a very large rock band!

My Stubbers Experience By Jalil

Monday

On Monday 20th June at 3:30pm we set out on our adventure to Stubbers. We got on the coach and put our luggage under the bus. Our driver's name was Chris and when we arrived we went to our rooms and put our luggage under our beds. After that, it was almost dinner so we went and made our way to the dinner hall. We had Chicken and rice with fruit. When we finished dinner we went to evening activities where you could dance, play foosball and table tennis or play football around 8:45 we went back to camp and got ready for bed.

Tuesday

The next morning we went to get breakfast then started the activities in groups. I was in group three so I had archery and axe throwing up until 12:00pm. After axe throwing everybody had lunch, the menu was; sandwiches and crisps with a small chocolate and fruit. When everybody finished their food, we went to camp and waited for our next activity. When they were ready for us we went to line up and waited to

be called by the workers. All of the groups went and paddled a bellboat, which was like kayaking. There was even a bit of rivalry as to who was the best team. Right after bellboat, group three went on banana boats, where a man on a jet ski with a rope connected to the banana was riding on waves trying to throw you off. The banana boat was lots of fun and a lot of people enjoyed it. Then it was dinner time. We headed to the hall and ate beef burgers with wedges and for dessert we had mousse with cream then again we went to evening activities. At around the same time we left and went to bed

Time to fire up the banana boat - Hold on tight!!

Wednesday

This was the last day we were going to be here so we started packing and went to breakfast. After breakfast, my group went to do crate stacking. Crate stacking is when you stack crates trying to get a record beating everyone else as a duo, the record was 12 and as a solo the record was 14 which I set myself. The rest of the day went on as normal but at 1:45 we did team challenge which you had to work together as a team to complete the challenges. Then we went back to camp and started to get ready to leave. Chris then came and took us back and we all went home.

Challenges

Steady...steady...
Ohhh, and you were
doing so well! 🤔

Friends for life!

Time to come home with memories that will last!

St. Luke's has talent...always!

On Friday morning our children told jokes, played instruments, made moves and sang like rock stars. There were applause, laughs and shrieks coming from the parents and the children and special mention has to go to the 2 acts below – they were incredible. But the biggest thanks has to go to Miss Robyn (herself a professional singer) who encouraged the children and worked with them through many of her lunchtimes to launch them on the road to stardom!

Girl Power! The great Y1 Supergroup and the one *Incredible Rapper*!

Below are some of the other fantastic contestants

Spare school clothing

If anyone has school clothing that no longer fits but can be used by others please can you donate it to the school so we can give it out to families that might be struggling with the costs of buying uniform. We are especially in need of KS1 and Early Years clothing supplies – thanks!

Church News

St Luke's church is looking for a new full time youth and children's worker to lead and grow our ministry to those under the age of 18. Could it be you or someone you know?

For more information about what the job involves visit www.stlukese16.co.uk/vacancies

You can also download the application form there! Applications must be received by the deadline of Wednesday 29th June at 5pm.
