Things to know

Homework is set on Friday in blue exercise books for consolidation of work during the week.

Reading every night - children are responsible for changing their own books

PE day is Tuesday (but can be subject to change), please ensure children come into school wearing PE kit on this day.

Standards - non negotiables

Handwriting- please ensure your child is using the correct tripod grip.

Presentation- e.g. using a ruler, dates LQs underlined and margins.

Living the values in all we do.

Our year overview - English

The children will have handwriting or creative writing practice every morning and will also have a GPS lesson and opportunities to apply skills learnt in their topic work.

(Grammar, punctuation and spelling)

We teach spelling in school. There are no spelling tests weekly as spelling is part of every lesson, every day.

Reading - phonics, fluency and reciprocal reading

We meet children where they are based on assessment data. Some pupils are working on their phonics, some are working on fluency. And all pupils are developing comprehension skills.

(clarification, summarising, literal retrieval, inference, thinking questions)

Maths No Problem

Fluency in Five

A 5 minute daily catch up of prior learning.

**Maths no problem - to know, apply and master maths
(see letter to hand out!)**

TTRS - log in.

Our Awesome Curriculum

Every half term, we have a theme. This half term we are exploring Space!

Interventions

Each day there will be an allocated time for struggling learners to go over concepts and consolidate their learning. We also ensure challenge is planned into every lesson for those who have the knowledge but need to climb “the ladder of learning” to apply their knowledge in other ways.

This approach is personalised, enabling all learners regardless of starting point.

Teachers will often pre-teach concepts to enable success in lesson and set post lesson catch up homework to ensure full understanding and mastery.

Positive Behaviour Management

Structure, understanding and encouragement

Calm structured rooms

Class Dojo - we aim for positive reinforcement of learning behaviours.

Class rule - to aim high in all we do!

Online safety

Yesterday, we began our Online safety lessons.

Please be aware the only way to ensure your child is safe when online is when you are online with them!

Online safety

At St Luke's, we aim to provide our pupils with strategies on how best to stay safe online. Keeping our pupils safe online is of the utmost importance to us and so we are committed to having an ongoing dialogue of the issues that pupils face when using the internet, as this is unavoidable in our world today.

So below are a list of useful websites, advice and resources that you may find helpful when navigating the issue of online safety with your child.

Thinkuknow <http://www.thinkuknow.co.uk>

National Online Safety <https://nationalonlinesafety.com/resources/platform-guides/>

NSPCC <http://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/share-aware/>

Childnet <http://www.childnet.com/parents-and-carers>

CEOP <http://ceop.police.uk/safety-centre/>

BBC <https://www.bbc.com/ownit>

SafetoNet <https://safetonet.com/>

Also, keep an eye out for updates on issues arising and other concerns on popular game apps and websites on School Ping. Some of you might be aware that through the last year a few caution leaflets and news feeds have been shared on School Ping to alert parent on some of these dangers.

Message from John Armitage HT

At St. Luke's we see parents as a very important partner in helping your child to achieve the best they possibly can whilst feeling emotionally cared for and secure and we hope that all of this information is answering a lot of your questions, but if you have anything about the school as a whole (please email your teacher if it is something about their class) then please email me on:

ht@st-lukes.newham.sch.uk

Thank you!

All children will receive logins for Google Classroom - in their homework books on the front page.

Any questions?

Class email is Y5@st-lukes.newham.sch.uk
